Letter of Correction

Sir:

The Notice of Allowability (PTO Form PTOI-37 dated 04-11-2005) in the above application contains an error. This Notice states

"3. The drawings filed on 7-24-2000 are accepted by the Examiner."

This statement is incorrect since the drawings were filed on Feb. 25, 2002. Thus this statement should read:

"3. The drawings filed on 02-25-2002 are accepted by the Examiner."

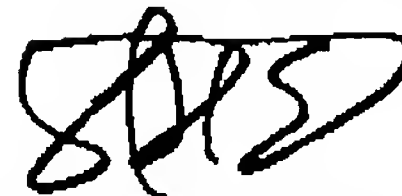

Please correct the Notice of Allowability accordingly.

Very respectfully,

Herman Ehrenburg
